English **Fluent**

French **Fluent**

Arabic **Native**

## PROFILE

I am a 22-year-old student in my first year of Computer Engineering at ESPRIT. My main objective is to apply my technical knowledge and programming skills to solve complex problems and create innovative solutions. I have gained a strong understanding of software development principles, object-oriented design, and database management.

## FINAL YEAR INTERNSHIP

### Web Development Intern

BT ( Bank of Tunisia )

2022

### SUBJECT

Creation of a web application for managing withdrawal requests and supply requests from subsidiaries and branches.
